JUDY TOPINKA who is a feature reporter for the Life Newspaper, 2601 South Harlem, Berwyn, Illinois, phone number 484-1234, was interviewed at her residence which is located at 563 Selborne in Riverside, Illinois. She provided the following information:

She learned of the Federal Bureau of Investigation (FBI) investigation into alleged corruption in Berwyn, when an individual who had been interviewed by the FBI came to her, and told her that he had talked to FBI Agents. She said that she was extremely familiar with Berwyn, and could help the FBI. Special Agent (SA) [] said that the FBI would accept any information which she could furnish in this regard, but there would be no reciprocity on the part of the FBI. She said she understood this and was willing to provide information to the Bureau.

b6
b7C

She said that several areas of possible corruption have come to her attention. Among them is the Berwyn National Bank at 7112 Cermak Road. Several years ago the bank was moved from its old location at Cermak and Oak Park Avenue. The new location required zoning changes and the well circulated rumor is that the bank officials had to pay for these zoning changes.

This and other irregularities allegedly occurred and [] who resides at [] in Berwyn, with telephone number [] is an individual who can provide specific details relating to these irregularities. [] also has knowledge about favored zoning treatment given to MAC NEAL Memorial Hospital in Berwyn, and an alleged "shakedown" of the AZ&R Sporting Goods Store in Berwyn.

b6
b7C

TOPINKA said that former Alderman [] is often mentioned as an individual who was involved in extortion schemes. He was considered Mayor [] "bagman". [] is a heavy drinker. Since [] was voted out of office, his only source of income has been from his job with Cook County. [] was allegedly involved in the illegal purchase of playground equipment.

b6

The third Ward Alderman [] has publicly stated that he is aware of illegal bidding activities on behalf of certain companies who supply playground equipment to the City of Berwyn. [] told the City Council that he would expose this. There is an ordinance in Berwyn which requires competitive bidding on the purchasing of materials for public use, if the total cost exceeds \$2,000.00. Berwyn regularly ignores this ordinance.

Alderman [] can be contacted at telephone number [] or at [] which is the number at [] which is his place of employment. [] (phonetic) who was a member of the Playground and Recreation Commission along with [] may also be knowledgeable about this subject. He recently moved and is currently residing in the [] area.

[] who was a former Candidate for Alderman in Berwyn, has knowledge of alleged shakedown schemes involving the Convenient Food Market in Berwyn. [] was involved in getting the zoning approved and is reported to have taken money from the owner of the Convenient Food Market. Reporter [] of the Life Newspaper also has information relating to this..

[] was also involved in another incident wherein [] had planned to open a restaurant, and [] told [] that he would close the restaurant by sending all the inspectors to the restaurant. TOPINKA did not have additional details of this incident.

On Friday, October 3, 1975, the Life Newspaper printed a short article stating that it had been learned from sources in Berwyn, that the FBI was inquiring into official corruption in Berwyn. After reading the article, [] who is the City Attorney of Berwyn, contacted TOPINKA and said that the FBI could look at all the city records including the liquor licenses. [] is approximately [] years old, a former President of some Bar Association, and formerly worked for the State's Attorneys Office of Illinois. [] will probably be the next candidate for Mayor, chosen by the Democratic party of Berwyn, since Mayor [] is in his 70's.
